

How did I change?

- Learned Hangeul (reading and basic vocab/conversations)
- Heightened appreciation for:
 - outdoor markets
 - my freedoms/choices
 - night life culture
 - personal space
- Differences in food focuses
 - Foreign food in certain cities only, not as food allergen friendly, focus on efficiency of group meals
- Want to work on genuineness

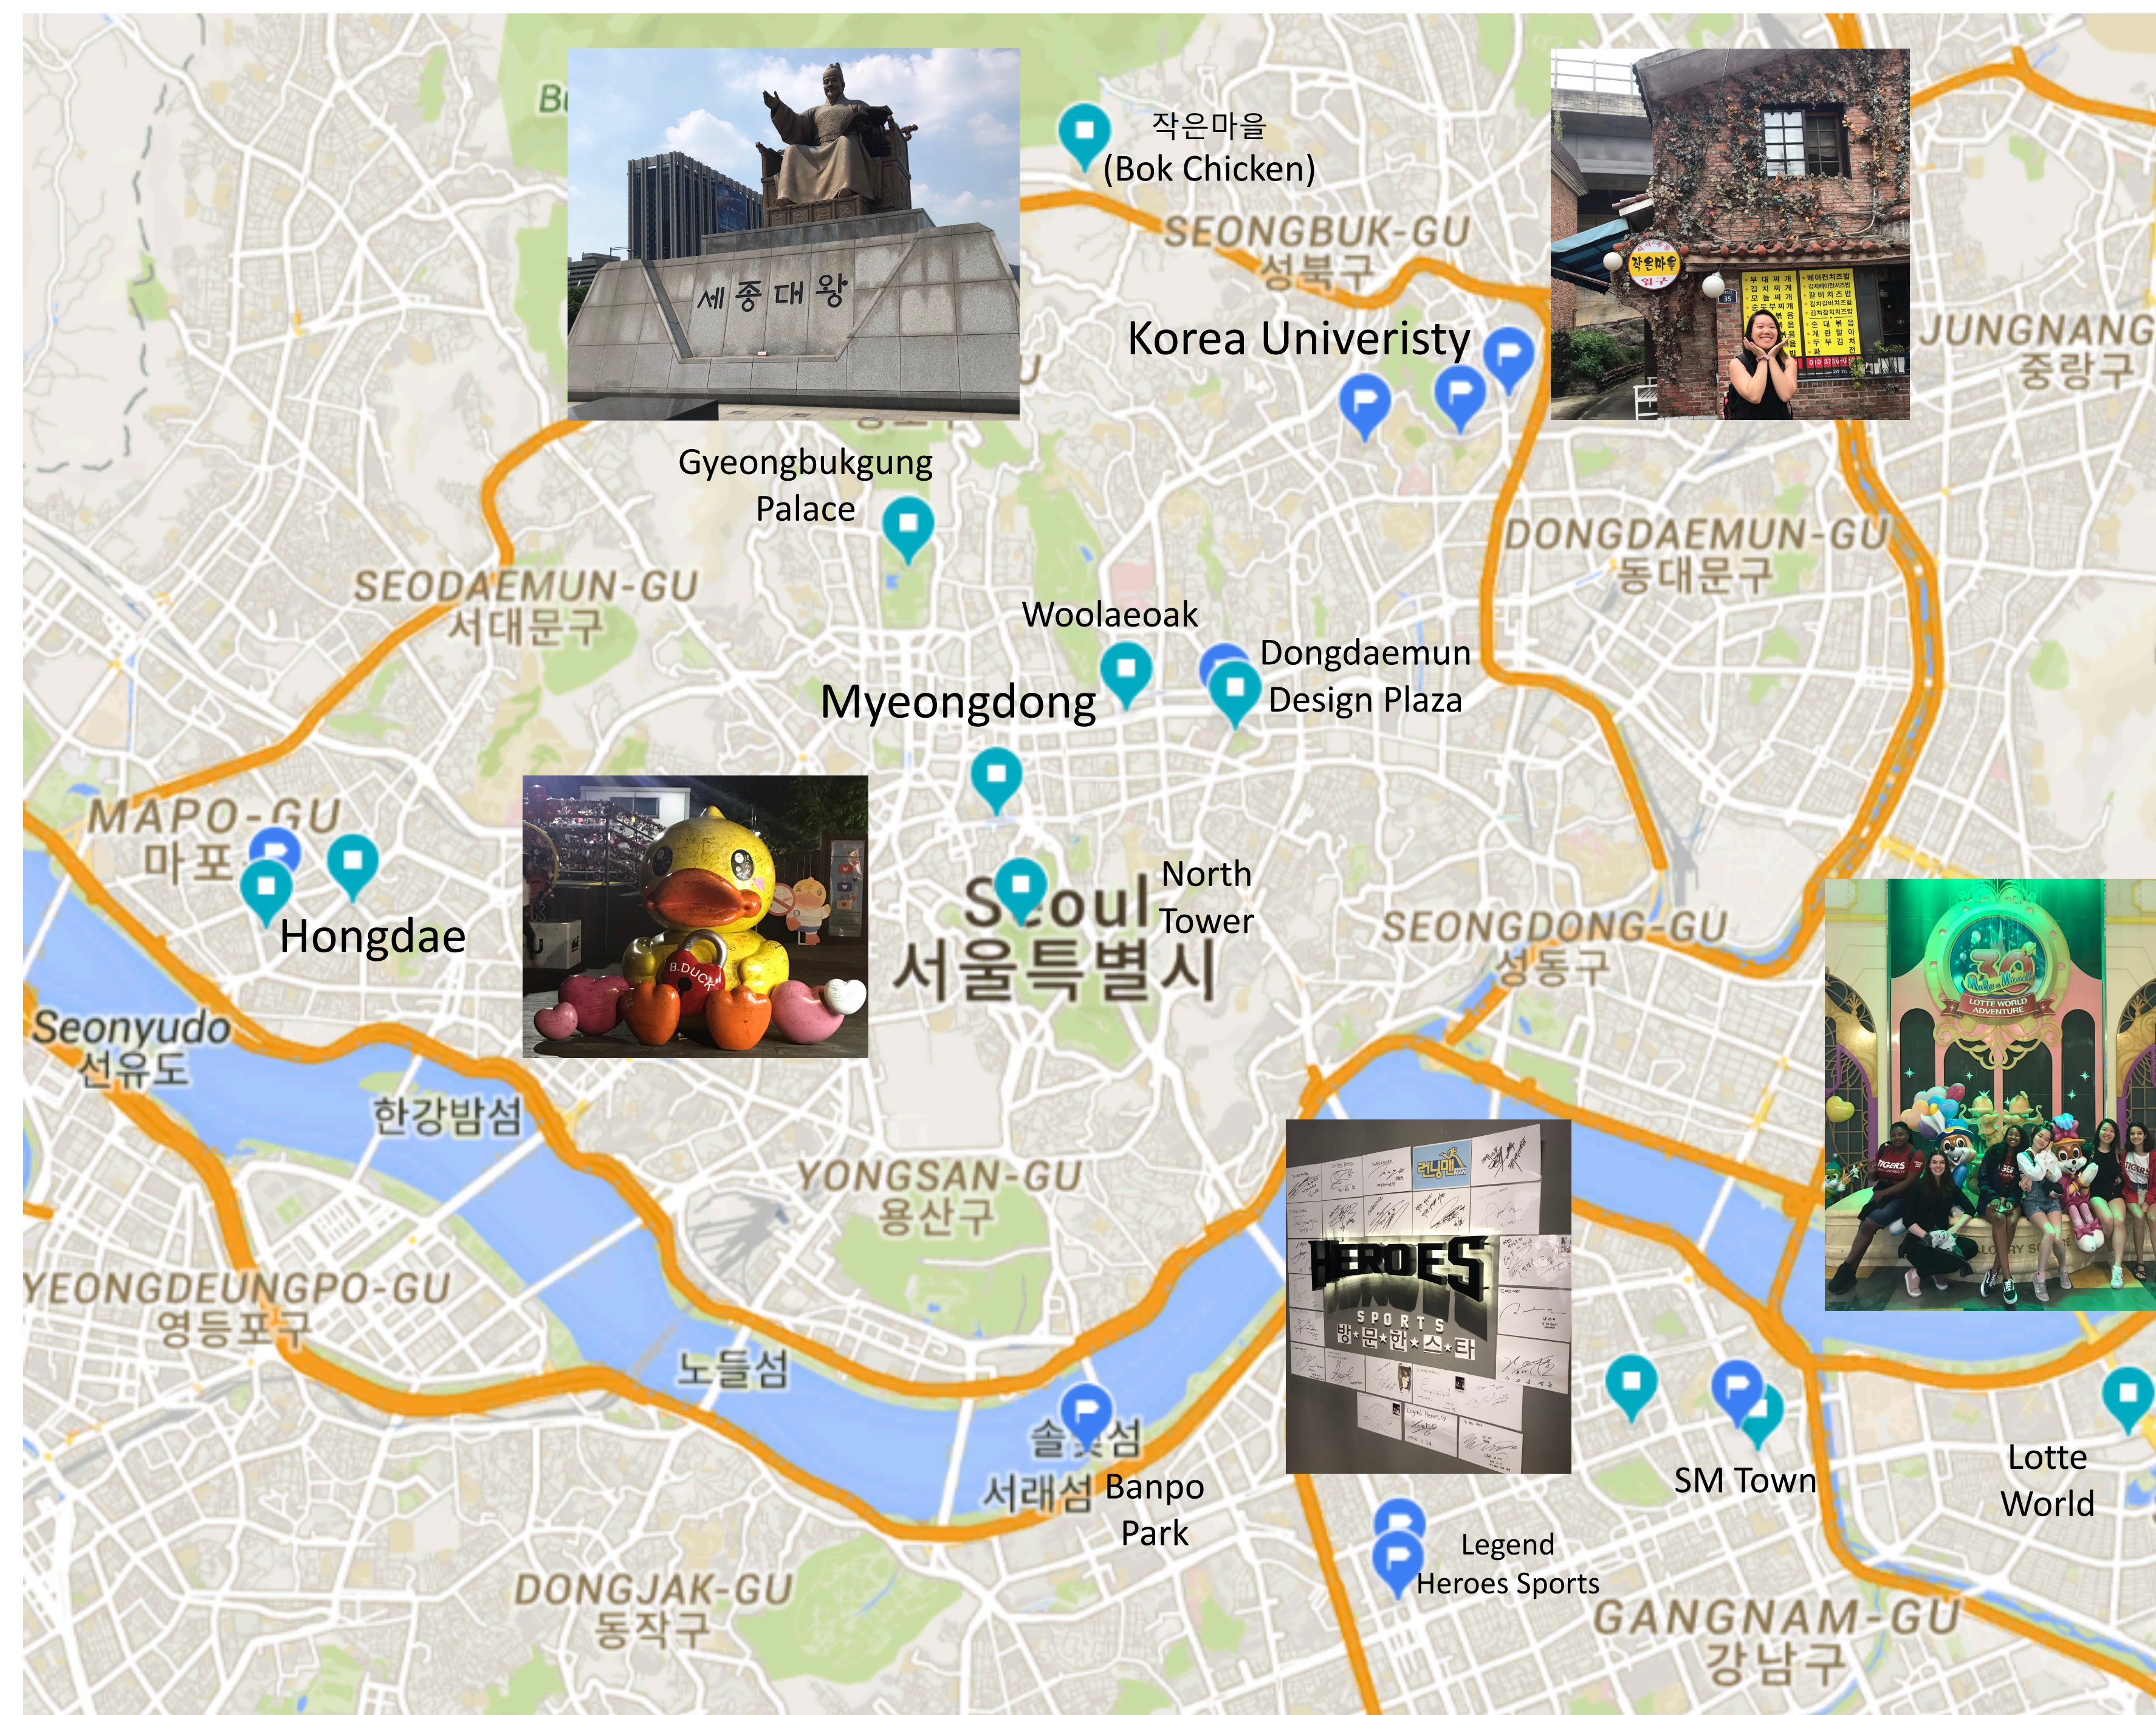

Why Korea?

- Have wanted to go since junior year of high school
- Interest in Korean culture
 - Food, music, fashion, beauty
- Consistent exposure and practice with Hangeul

Study Abroad: Seoul, Korea

For this project, I spent a little over 4 weeks in Seoul, South Korea. I took Beginner Korean I while I was there. We went on weekly excursions that exposed us to different aspects of Korean culture, history, and famous landmarks.
